3) The Property Owner will remove obstructions and excessive silt deposits within the stream corridor which might cause flooding of buildings, roadways, or other properties.

4) Permanent storm drainage and temporary construction easements, if required by the City in the future, shall be dedicated at no cost to the City.

5) The Property Owner shall indemnify and hold the City harmless from any and all damage, loss, claims or liability of any kind whatsoever arising from the installation, maintenance, repair, operation or use of the stream corridor or any facilities related thereto, including, but not limited to, any loss occasioned by reason of damage or injury to persons or property which may occur. In addition, the Petitioner shall pay all costs and expenses involved in defending all actions arising there from.

The City or Property Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens, and charges now or hereafter imposed by the provisions of this Declaration. The City or the Property Owner shall have the right to include in their claim for relief a reasonable sum to reimburse them for their attorneys’ fees and any other expenses reasonably incurred in enforcing their rights hereunder. Failure by the City or by the Property Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. any provision hereof as to any other Owner.

7) If, after reasonable notice to the Property Owner, the Property Owner shall fail to maintain the stream corridor as set forth herein and other applicable legal requirements, the City may perform all necessary repair or maintenance work, and the City may assess the Property Owner and the Property, for the cost of the work and any applicable penalties. These covenants and agreements as set forth herein, fully executed, shall be filed with the Register of
Deeds in Olathe, Johnson County, Kansas, and the filing of the same shall constitute constructive notice to
all heirs, successors, transferees, and assigns of the Property Owner of these covenants and agreements

modified in any way without the prior written approval of the authorized officials of the City of Overland
Park, Kansas, and that approval must be indicated on the face of any subsequently recorded document
amending or modifying this document.

Notwithstanding other provisions of this document placing rights, duties, obligations and responsibilities on
the Property Owner, as that term is defined herein, those rights, duties, obligations and responsibilities
shall only be exercised or enforced in the following manner: when the property is owned by the current
owner, or by a succeeding developer, those requirements shall only be exercised or enforced by or against
those legal entities. When an approved Homes Association takes over ownership of the Property, those
rights, duties, obligations and responsibilities shall succeed to that Association as provided in the legal
documents creating the same. It is not the intent of this document to create or impose any rights, duties,
obligations and responsibilities directly on subsequent owners of individual lots within the subdivision,
unless or until the Homes Association is unwilling or unable to exercise or comply with and enforce the
terms of this document and fully meet all the duties, obligations and responsibilities set forth herein,
including, without being limited to, payment of any costs imposed by this document by all means specified
in the documents creating the Association, including assessment of individual lot owners when necessary.
If that Association shall cease to exist or be in default of its duties, obligations or responsibilities as set forth
herein, the City shall have the option of directly enforcing them against individual owners of lots within the
subdivision.
